- **Policy statement on safeguarding children**

The values held by Elsham Parish Council are:

Elsham Parish Council recognises that all children have a right to protection from abuse. Elsham Parish Council takes seriously its responsibility to protect and safeguard the welfare of children and young people. We will:

- respond swiftly and appropriately to all suspicions or allegations of abuse and neglect;
- provide parents and children with the opportunity to voice their concerns;
- have a system for dealing with concerns about possible abuse and neglect.

- **The policy**

Elsham Parish Council recognises that many children and young people today are the victims of physical, emotional, sexual abuse and/or neglect. Accordingly Elsham Parish Council has adopted the following policy guidelines. The policy sets out agreed guidelines for responding to allegations of abuse/neglect, including those made against staff and volunteers. These guidelines have been prepared in accordance with North Lincolnshire Children's MARS Policies and Procedures. They will be kept under review and be supported by appropriate training.

The policy applies to all staff and volunteers who act on behalf of Elsham Parish Council and who work with children. Every individual has a responsibility to inform the designated person, in respect of child protection or their deputy, of concerns relating to safeguarding children. The designated person should decide if the concerns should be communicated

ELSHAM PARISH COUNCIL

to North Lincolnshire Children's Services or the Police. However all staff and volunteers can contact North Lincolnshire Children's Services directly if necessary.

- **Definitions of Abuse (Working Together 2018)**

A concern should be raised if any of the following circumstances have or are happening to a child:

- Physical abuse
- Emotional abuse
- Sexual abuse (including Child Sexual Exploitation)
- Neglect

Physical abuse	A form of abuse which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocation or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child
Emotional abuse	The persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone
Sexual abuse	Involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet). Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children

ELSHAM PARISH COUNCIL

Child sexual exploitation	Child sexual exploitation is a form of child sexual abuse. It occurs where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child or young person under the age of 18 into sexual activity (a) in exchange for something the victims needs or wants, and/or (b) for the financial advantage or increased status of the perpetrator or facilitator. The victim may have been sexually exploited even if the sexual activity appears consensual. Child sexual exploitation does not always involve physical contact; it can also occur through the use of technology
Neglect	<p>The persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to:</p> <ul style="list-style-type: none">• provide adequate food, clothing and shelter (including exclusion from home or abandonment);• protect a child from physical and emotional harm or danger;• ensure adequate supervision (including the use of inadequate caregivers); or• ensure access to appropriate medical care or treatment <p>It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.</p>

- **What you should do if you suspect abuse**
 - a. You must report concerns as soon as possible to Cllr Sarah Harriman Designated Child Protection Person on 07519 746 311 who is nominated by Elsham Parish Council to act on their behalf in referring allegations of suspicions of abuse or neglect to North Lincolnshire Children's Services. In the absence of the designated person, the matter should be brought to the attention of the deputy designated person Cllr Cath Bishop on 07929 207 604. If it is an emergency, and the designated person(s) cannot be contacted, then North Lincolnshire Children's Services or the police should be contacted at the numbers given below.  - b. If the suspicions relate to the designated person, then the deputy, North Lincolnshire Children's Services or the Police should be contacted.
 - c. Suspicions should not be discussed with anyone, other than those named above.
 - d. It is the right of any individual to make direct referrals to North Lincolnshire Children's Services. However this policy should be followed where possible.

- **Volunteer recruitment**

Elsham Parish Council undertakes to adopt best practice guidelines for recruiting volunteers and we further undertake to:

- specify what the role is and what tasks it involves
- request identification documents if appropriate
- as a minimum meet and chat with the applicant before they commence work
- where appropriate, when regular unsupervised contact with children is likely to take place, Elsham Parish Council will request and check references and ask that individuals apply for a Disclosure and Barring Service (DBS) check in line with local Children's MARS for North Lincolnshire procedures.

- **E safeguarding and acceptable use policy for electronic equipment**

- Elsham Parish Council does not own electronic equipment or have a social media account
- No photographs will be taken without prior consent.

- **Whistle blowing procedures**

It may be very hard to report a concern but as with all other difficulties people will come across, the safety and protection of a child at risk must be the priority in any decision that is made.

Elsham Parish Council is committed to ensuring that all individuals have the ability to raise genuine concerns in good faith without fear of victimisation, subsequent discrimination or disadvantage, even if they turn out to be mistaken
